From: The Lord Giveth...Burgundy 2023 (Jan 2025)

The 2023 Meursault Pré de Manche comes from a parcel owned by the Domaine matured in one-year-old oak. This has a light bouquet with touches of yellow fruit and egg whites, a little more precision than the previous vintage and a touch more *mineralité*. The palate is well balanced with good weight. This is not the most complex Meursault you will find, but there is fine tension on the finish with a touch of spice on the aftertaste.
