

LES PARCELLAIRES

de Saulx

NUITS SAINT GEORGES
1^{ER} CRU "LES MURGERS"

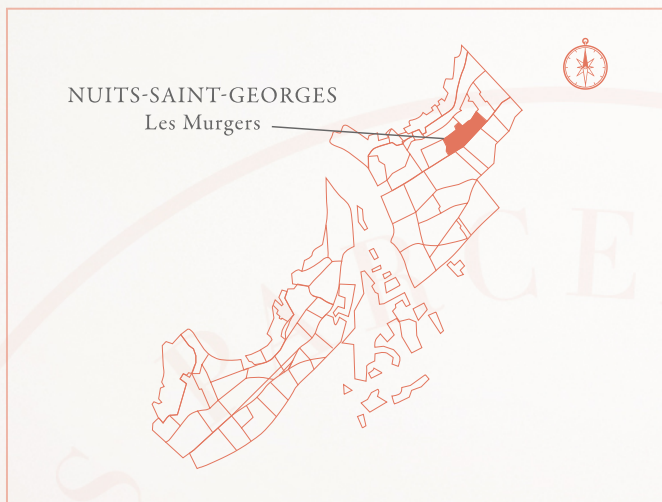

ELEGANT AND DEEP

THIS "CLIMAT"

"Murger" refers to a pile of stones that is more or less covered with undergrowth and is found close to the vines on the edge of a parcel. There are many murgers around this Climat, giving rise to its name.

TERROIR

Deep soil mixed with stones

TASTING

Appearance: Ruby red

Bouquet: Elegant and delicate with raspberry and spice aromas

In the mouth: Deep, combining cherry flesh, ripe raspberry and fine woodiness, velvety tannin presence, lots of charm and body for a pleasing balance.
