

LES PARCELLAIRES

de Saulx

BEAUNE
"LES PRÉVOLES"

RICH AND DELICATE

THIS "CLIMAT"

The configuration of this climat in a hollow prompts us to believe that "Prévolles" comes from the Latin "Vallis" which refers to a "small valley" or "land in a hollow"

TERROIR

The configuration of this climat in a hollow prompts us to believe that "Prévolles" comes from the Latin "Vallis" which refers to a "small valley" or "land in a hollow"

TASTING

Appearance : radiant and bright

Bouquet : Very light floral fragrances suggesting peony on intense aromas of very ripe raspberry and gooseberry enhanced by a spicy hint of clove and white pepper

In the Mouth : Complex and balanced, lots of intensity and substance, silky texture on well-integrated tannins, woody and full of elegance, and generous and gourmand finish.
